

Group Prayer Challenge with

# TEAM KIM FOR COLOMBIA

"Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by My Father in heaven.

For where two or three are gathered in My name, there am I among them." Matthew 18:19-20 ESV

Please join Team Kim for Colombia in *group prayer* during the month of January, asking on our behalf for God to move in mighty ways to meet our remaining monthly financial need to be able to begin life and ministry in Colombia.

The Challenge: Purposefully make time to pray together in groups for the specific needs listed on the back side.

The Goal: To ask God to bring the Kim's financial status to "fully funded" by the end of the month.

The How-to:

- As a *family*, spend 15-30 minutes praying aloud each week.
- As a *small group*, spend 30+ minutes praying aloud at your meeting.
- As a *Sunday School class*, spend 5-10 minutes praying aloud each week.
- Host/organize/attend a *special prayer meeting*, designed specifically for this purpose, where you'll pray aloud together for at least 1 hour.

### The Request Details:

- For God to move 3 additional churches to join as significant monthly financial ministry partners
- For God to encourage and preserve our current ministry partners to persevere with us
- For God to call additional individuals to join us as monthly financial and prayer ministry partners

### Frequently Asked Questions for Team Kim:

*How much do you still need?*

- We are 65% funded for our monthly needs, and fully funded for our initial moving and set-up costs.

*When will you be going?*

- We will be allowed to move when we reach 100% of our funding. A team meeting is planned for February at Camino Global headquarters in Dallas, after which the first group of missionaries will be released to the field. We would love to be ready to go once the school year has ended. This allows us time to get legal paperwork in order, and helps our children with the various aspects of moving and transitioning into a new culture.

*What will you be doing once you get to Colombia?*

- For long-term success, our integration into Colombian culture is key. Our first year will be dedicated to strengthening our Spanish, navigating daily life in a new country, and building connections with local churches and ministries in Colombia. Through those connections, we will use graphic design and ESL for evangelism and discipleship in Colombia.

*How else can we pray for you?*

- Pray for our spiritual, emotional, and physical preparations for our future transition to Colombia.
- Pray for safe travels and productive team-building for the February Camino-Colombia meeting in Dallas.
